

Heavy Duty

KNOCK DOWN SERIES

The Heavy Duty Series lockers are ideal for applications that require maximum ventilation and strength, or where visual inspection of the lockers content is required. It comes with a standard 2 mil thick powder coat baked enamel finish, available in 24 standard colors as well as any custom color.

Doors and sides are perforated with diamond perforations allowing maximum air circulation and at the same time maintaining security.

Solid doors are optional. 1, 2 & 3 tier lockers all have a standard recessed handle with single point latch; multipoint latch is optimal at no additional cost. 4,5,6,8 & 9 tier box lockers have a Door Pull that accepts built in locks. Heavy Duty Series preferred for schools, gym, team rooms, recreation centers, health club, country club, police and firefighters and military.
